

BATTLE OF THE AUTOMOTIVE TECHNICIANS

Zeebs Performance Restorations INC. is pleased to announce the engine assembly race competition at the

World of Wheels, Calgary, presented by Blackfoot Metals
February 23-25, 2018 _____

World of Wheels, Edmonton
March 2-4, 2018 _____

Zeebs Performance Restorations INC. is bringing you this event with a chance for professional technicians and up and coming apprentices as well as students to compete on a level of competition second to none . Featuring high school students, apprentice technicians, and SAIT students battling it out for cash and prizes and most of all to be crowned "Technicians of the year"

The teams this year with two people per team paying \$100.00 entry Fee

Two Chevrolet 5.0-Liter V/8 TBI fuel injected engines will be used.

(There is not going to be any wiring puzzles, just a one or two plug connection.)

The engine short block will be pre-assembled, (crank, rods, pistons) leaving the cylinder heads, Timing components, lifters, push rods, rocker arms, intake and exhaust manifolds, all the sheet metal components as well as the ignition system to be installed.

COME AND JOIN THE FUN
TEAMS ARE ENTERED ON A FIRST COME FIRST ENTERED BASIS.

Fill out the entry form and e-mail it to: engineerace@zeebs.ca
